

Gelato Italiano!

Full Hide

Corrected

Inherent in hides:

Consistent color,
grain, and sheen.

Brandings

Possible hump holes

Gelato Italiano has a calming color palette and a very distinct look. Hides are dressed with a rich glaze and enhanced crackle effect which runs uniformly throughout the hide. The crackle effect is fixed to achieve a tone on tone marble like appearance. The special glaze finish provides superior durability, while still retaining an incredible soft touch.
