

### Gelato

Full Hide

#### Semi-Aniline

Inherent in hides:

- Natural Markings
- Fat Wrinkles
- Healed Scars

Gelato is made on the finest hides Italy has to offer. Ripe with the colors of your favorite flavors like “Blue Moon”, “Lemon Meringue”, and “Mango Madness”, Gelato has an enticing color palette and a very distinct look. Hides are dressed with a rich glaze which magnifies the color and enhances the crackle effect which runs uniformly throughout the hide. The crackle effect is fixed to achieve a tone on tone marble like appearance. The special glaze finish provides superior durability, while still retaining an incredible soft touch.
