

Estate

Full Hide

Aniline

Inherent in hides:

- Natural Markings
- Fat Wrinkles
- Healed Scars

“Estate” is tanned on European hides that are hand selected. Hides are supremely soft and supple. Variation in tone and a smooth surface makes the hides very popular in the residential field of design. As with all pure aniline hides, markings of nature should be expected and embraced.

Details

Content: 100% genuine cowhide leather
