Corrected
Inherent in hides:
Consistent color,
grain, and sheen.
Brandings
Possible hump holes

VE stands for “Value Engineered”. This leather is absolutely fitting for any application. It was designed and priced specifically for the contract and hospitality markets. Any leather selected from VE will upholster beautifully and look extremely high-end, while meeting all testing requirements for safety and durability. When VE is upholstered even the most discerning eye will be shocked to find that a budget leather was selected.
