Under Pressure

Feeling UNDER PRESSURE to find the perfect material that is both durable and unique and custom for your client? Look no further than UNDER PRESSURE, our new embossing patterns.

Your client may be "Talking in Circles" or trying to keep "Every Strand in Place" with design choices. The endless combinations of color and texture by adding UNDER PRESSURE to one of our beautiful leathers will be the right amount of "Dimension" to make your design the "Bees Knees." Patterns are exotic with "Tic Tock Croc" and "Superfly Showy Shagreen" or classy with "Demure Diamonds" and "French Braid Slay." "Don't Get It Twisted" no matter the pattern you pick, you are sure to create a unique material!

Care and Maintenance

Dust on a regular basis with a soft, clean, dry, or slightly damp dusting cloth. Gently remove spills immediately, blot and do not rub. Saddle soaps, solvent, or any harsh chemical is never recommended.
